Dear Parents,

On behalf of the Nassau County Executive Edward P. Mangano and all of our staff at the Nassau County Department of Parks and Recreation, we would like to welcome you to the 2012 Summer Recreation Program.

Before camp begins we would like to invite you to our parent orientation, which will be held at the park that your child will be attending this summer. At our parent orientation we will advise you of the rules and regulations, our expectations from you and your child, as well as what you can expect from us and our staff. Additionally, parent orientation gives you the opportunity to meet the summer recreation staff and tour the park that your child will be attending this summer.

Once you have paid your full tuition, you will receive your free T-Shirt for camp at our parent orientation, or you can call our office and set up a time to come pick up your shirt. Please make sure to call ahead of time so we can have the shirt ready for you.

We look forward to having a safe and happy summer, as well as seeing you at the orientation. If you have any questions about the location of your parent orientation or any questions about the camp in general please call us at (516) 572-0245.
